Adults Make a Choice to Use Commercial Tobacco Products, Children DO NOT...
Contribute to a Legacy for a Tobacco-Free World for our Children

To REGISTER, check all programs you will be attending:

<input type="checkbox"/>	Thursday, October 15, 2015 8:00 am – 5:00 pm	Basic Tobacco Intervention Skills Certification for Maternal & Child Health	This accredited program teaches/practices brief interventions with an emphasis on the use of nicotine products during pregnancy/postpartum and the effects of environmental tobacco smoke on the well-being of children and families. Certification candidates receive multimodal educational tools tailored to meet treatment needs of women, children and families moving toward nicotine-free lifestyles.	\$310
<input type="checkbox"/>	Friday, October 16, 2015 8:00 am – 5:00 pm	INSTRUCTOR Basic Tobacco Intervention Skills for Maternal & Child Health	The accredited INSTRUCTOR program certifies candidates to teach/facilitate the Maternal & Child Health Basic Certification program. Instructor candidates learn and practice the methods and techniques to present the Basic Skills program. PREREQUISITE: Successful completion of one University of Arizona Basic Tobacco Intervention Skills Certification Program and Pre-Assignment from Maternal & Child Health Resources.	\$335
<input type="checkbox"/>	Saturday, October 17, 2015 8:00 am – 5:00 pm	Instructional Specialist Certification	The 8-hour certification program is designed for those who intend to teach and replicate the HealthCare Partnership Continuing Education & Certification program model. The course introduces participants to the principles of adult learning theory, along with adult education programming methods and techniques. PREREQUISITE: Participant must hold INSTRUCTOR Certification in a University of Arizona HealthCare Partnership Nicotine Dependence Treatment Program.	\$365
		Maternal and Child Health Companion Guide adapted for NATIVE WOMEN, CHILDREN and FAMILIES	This supplemental resource will be available to certification candidates. The Guide introduces candidates to evidence-based health messages that are culturally responsive to Native Women and their communities.	\$60

One-time Registration fee of \$85 will be applied.

Continuing Education Units (CEU) or Continuing Medical Education (CME) credits available to participants upon successful completion of each program. *Instructors: Mary E. Gilles, MD, Louise J. Strayer, BSc, RN, MSc.* Programs to be held on the University of Arizona campus.

Learn, Teach, Heal, and Build Systems to Prevent & Treat Nicotine Dependence!
